## OUR TRUSTED BRAND PARTNERS

Our selected brand partners are chosen not only because their products are manufactured in Australia and on the Sunshine Coast, but because they represent the best the coast has to offer. Tried, tested and simply stunning products! We send our boxes out with confidence because of their commitment to excellence.

We support and favour brands who align with our ethical and environmental philosophy of 'minimal harm'. This means a good majority of the products that you find in our boxes are either Organic, recycled, recyclable, cruelty free and otherwise environmentally friendly so you can make a guilt free choice.
